Proposals for

Uttoxeter Maltings

The Maltings Regeneration project includes the precinct, the empty former Co-op building, Car Park and the Bus Station. East Staffordshire Borough Council are looking to make a significant investment in this area and we need your help to assist us designing what comes next.
This is your town and your High Street, help us to give it a brighter future.

We want to hear your views on the proposed changes to the Maltings

Building on the findings of last year's consultation, the Council is consulting on further concepts for the regeneration of the Maltings and needs your help to create a final development plan

Please complete the questionnaire using this QR code, drop in at the town hall anytime until 25th March or
give us your views and speak to us directly at the Town Hall in Uttoxeter on these dates
Saturday 28th January 9:30-1pm, Thursday 2 February 9:30-1pm
25th February 09.30am-1pm, 8th March 4pm-7pm
